Headteacher:  
Mrs Denise Weston

Dear Parents and Guardians,

Our final SIAMS report is available to view on the school website.

As a committee we are very pleased with the progress made since the last inspection 5 years ago, and feel that the school has continued to enhance its Christian distinctiveness and links with the church through the introduction of Open the Book, Family learning days, and services at the church, to name only a few. These initiatives are enjoyed by children, staff and parents alike.

We found the latest Statutory Inspection of Anglican and Methodist Schools (SIAMS) framework much more demanding. As a small school Church of England school with limited resources, one of our biggest challenges is investing the time needed to formally capture the impact or evidence of the wonderful things we do in relation to SIAMS. Our priorities stretch across many areas of accountability, and we feel that our children are the best evidence of our work and commitment. They are happy, focused and committed to their learning journey. They love to share their achievements and what they have learned, and all of this takes place because of the incredibly nurturing setting at the school, strongly influenced by our Christian values.

We were hugely heartened by the feedback parents gave, both in advance and during the inspection, from which shone out how children are applying their Christian learning and values at school to everyday life. Thank you for sharing your experiences with us, and for your support.

Ensuring children are receiving the best start we can offer, is, and will continue to be at the heart of what we do. We would like to thank the staff for their unwavering commitment to the school and its Church of England heritage.

Kindest regards,

The Foundation Governors
