

ARRIVAL AT DRAMA DAY 2016

The venue is Oxenwood Outdoor Education Centre (in the village of Oxenwood). We are trying a staggered approach to dropping off and collecting the children. And we are also putting in place a one way system to avoid congestions and reduce the risks of accidents and hopefully make everything easier (please see map below).

We are asking people to come into Oxenwood via the road through Marten, or the Shalbourne road, and then to exit Oxenwood via the Great Bedwyn road. Please look for the signpost for “OUTDOOR CENTRE” to point you in the right direction when you get to Oxenwood Village. The Great Bedwyn road is very narrow just past the Centre and can get very congested if there is a lot of two way traffic.

Sat NAV’s; be warned, the village shares a post code and some Sat NAV’s will send you to the Manor, NOT the Outdoor Centre. Also ALL Sat NAV’s label ALL the roads around Oxenwood as “DARK LANE”, NOT by their destination name as I have here!

We would ask schools to use as few cars as possible (lots of car sharing) and adhere to the one way system. There could be a LOT of frustration if we don't, as many of the roads surrounding Oxenwood are VERY narrow.

We would also ask parent drivers to literally drop the children off SAFELY and drive away as soon as possible. The success of this staggered approach relies on them being quick and safe. No time for a chat on this occasion I'm afraid.

The staggered timetable goes as follows (see below).

DANES (drop off for 9.00 am) are ... **Ogbourne/Chilton Fol/Shalbourne.**

(pick up at 2.40 pm)

GEATS (drop off at 9.20 am) are ... **Gt Bedwyn and St Kath's.**

(pick up at 3.00 pm)
