

# How did we spend the Sports Grant?

The Sports Grant is given to schools to make sustained and enhanced provision for PE. In the academic year 2016 / 2017 we received **£8305**. The chart below shows you how it was spent or is planned to be spent.

Number of pupils & PE Grant received	
Total number of pupils on roll	86 (as at January 2017 census)
Total amount of PE Grant received	<b>£8305 (plus rollover of £5436 at 1<sup>st</sup> April 2016)</b>

Record of actual PE Grant spending by item/project 2016-2017		
Item/Project	Cost	Objectives
Specialist coach -	£2,780.00	To enhance PE lessons and ensure the children and teachers are exposed to good quality coaching.
REAL PE	£2195.00	To further enhance PE lessons whilst making links to our Growth Mindset initiative. CPD for teaching staff.
Swimming	£850.00	For the children in Years 1 and 2 (+ Year 6 non-swimmers) to attend lessons, taught by qualified instructors at Hungerford Leisure Centre.
Sports Equipment	£2,818.72	To ensure that PE, playtimes, after-school clubs and sports day all have the resources needed.
Karate coach DBS	£57.00	To safeguard the pupils taking part in after school activities.
Ballet lunchtime club	£455.00	To give pupils to try a 'different' type of after school club.
PE conference	£99.00	School Sports Leader (PLT) attended PE conference – upskilling and updating subject knowledge.

Hire of minibuses		To transport the pupils to and from sporting events.
Dance Festival	£204.00	To enable pupils to attend the Marlborough dance festival.
Contributions to cluster small school sports.	£95.94	To enable pupils to take part in sports events and competitions with other small schools.
Gazebos	£666.69	For sun safety, particularly for sporting events such as Sports Day.
TA support	£181.87	To ensure safety of pupils especially those needing 1-1 support.
Sports Hoodies for tournaments	£201.50	So children can look good and feel proud when attending tournaments, matches and festivals.

## As a result of this spending:

Children will received specialist coaching from Years 1 – 6 and the impact is the children are able to take part in sports using the correct skills and knowledge.
More children participate in cluster festivals and events with every child from Y2 – Y6 having the opportunity to take part in at least one inter school event. The impact is the pupils are enjoying playing at a competitive level,
A high proportion of children participate in extra-curricular sporting activities. The impact is the children are leading a more healthy lifestyle.
Children have been transported to sporting events – enabling them to take part in competitions and festivals.
Pupils have had the opportunity to try ‘different’ sporting extra-curricular activities. The impact is that the children are taking part in an activity that is suited to their interests and achieving badges, certificates and accreditation in their chosen sport.
