

With thankfulness, courage and love we pray

A prayer for the world

God of **love** and hope,
You made the world and care for all creation.

But the world feels strange right now.

The news is full of stories about Coronavirus.

Many people are anxious because of it.

Many people are anxious that they might get ill.

Many people are anxious about their family and friends.

Be with them in their worries and help them to find some

courage and peace.

We pray for the doctors and nurses and scientists who are
working to discover the right medicines to give hope to
those who are ill.

Thank you that even in these strange and worrying times,
you are with us.

Help us to look for the signs of your goodness and **love**
towards us.

Amen.
