Dear Parents and Carers

## **Re: Covid-19. Latest Government Guidance and Local Authority action: re-opening of schools**

Following Mr Johnson's announcement on Sunday 10<sup>th</sup> May, the Government have released the "Our Plan to Rebuild: The UK Government's COVID-19 recovery strategy." Within it, there is much information about the approach, based on a phased recovery and the road map, by which restrictions will be lifted, step by step. As you will also know, the plan includes the proposal to re-open schools to certain year groups on Monday 1<sup>st</sup> June 2020, on the basis that the 5 key tests set by the Government justify the changes at the time.

Wiltshire Local Authority are taking the lead in formulating plans for schools re-opening and we will follow their direction, once all consultation is concluded and agreed plans to return have been put in place.

As soon as this process is complete, I will be back in touch. Until that time, I hope you understand that I am not in a position to answer any detailed questions about what the re-opening of schools might actually be like. I am however, always happy to be contacted by phone or email ([talktomrsturner@chiltonfoliat.wilts.sch.uk](mailto:talktomrsturner@chiltonfoliat.wilts.sch.uk)) if you have any questions about your child's home school learning or wellbeing.

I would like to take this opportunity to thank you sincerely, for your continued support of the school and the whole school team and for the remarkable support you are providing your children as they carry on with their home learning.

With thankfulness, courage and love.

Best wishes

*Katie Turner*
