Friday 19th June 2020

Dear Parents and Carers of Reception and Year 1 children

Changes in Reception and Year 1 bubble arrangements from Tuesday 23rd June 2020

Following our letter to all parents (18.06.2020) about the government's latest guidance relating to the wider reopening of schools and the letter I sent out earlier today regarding our final school wider reopening plans for Term 6.

We are making some changes to the group structure of our Roe and Fallow bubbles. This will enable us to create one more safe space (bubble) to use, to invite back those year groups who have not yet had the opportunity to return to school.

These changes and any other changes that we are making across the school, will in no way compromise the existing protective measures and risk assessment that we have in place. The health, safety and well-being of all our children and staff, remains our utmost priority.

The changes will not take place until Tuesday 23rd June. A few more Reception and Year 1 children will be joining us on this Tuesday and so for Monday 22nd June the current bubble arrangements will stay in place.

These changes will apply to the end of the summer term.

Reception children will be returning to Roe classroom and will be working with Mrs Gibson.

Year 1 children will all be located in Fallow classroom and will be working with Mrs Hicks and Mrs Stubbs.

The teaching and learning will continue to be planned jointly by Mrs Jepson and Mrs Gibson and will continue to follow the home school learning programme currently in place.

This will allow all children in Reception and Year 1 to continue with their home school learning.

The practical arrangements will remain the same, other than for those Year 1 children who had previously come into and left the school via the green gate. From Tuesday, they should use the bottom double gate.

We look forward to welcoming our Reception and Year 1 children to school next week.

Kind regards

Katie Turner
