

## Greek Gods 'Top Trumps'

Choose a god from Greek mythology to go in your Top Trumps card. Draw them in the top box, then list their four 'Superhero' qualities. What makes their highest-scoring quality so special? Write a description (no more than 200 words). Return it to your form teacher by beginning of September.

A large, light purple rounded rectangle with a thick black border, representing a Top Trumps card. It contains a small white rounded rectangle at the top for a drawing. Below this is a large white rounded rectangle for a description. At the bottom, there are four horizontal white rounded rectangles stacked vertically, intended for listing qualities.
