'With thankfulness, courage and love, we strive to improve heart and mind'
Jesus said, "Everyone who drinks of this water will be thirsty again, but whoever drinks the water I give him will never thirst". John 4:13

Dear Parents and Carers

We have reached the end of term and we are all looking forward to a Christmas break. I know for many, the arrangements will be different but I hope you have all managed to make the most of what is possible and will enjoy and make merry! Before we sign off for a couple of weeks, on behalf of everybody at Chilton Foliat CofE Primary School, I wanted to offer our most heartfelt and grateful thanks to all those who have made our pre-Christmas run up that extra bit sparkly. The list is long, however, a few special mentions are:

The Friends who have provided activities and events helping raise funds for the school and providing some super entertainment for the children; our Messy Church volunteers for putting a Christmas activity pack together for every child in the school; our wonderful catering team for arranging such a successful Christmas raffle, which in turn, enabled them to provide a very special Christmas lunch served to all; the mums and dads and governors who came to our two very successful Open Mornings to talk to prospective parents about what our school is like from a "customer" point of view; to our very own film production unit in the form of Mrs Ali Payne, who has filmed and edited both our Virtual Tour for prospective parents and our Christmas Service and Nativity.

We would also like to thank the Open the Book Teams and Revd. Sue for providing our virtual collective worships and prayers which are so valued by all our children. Finally, we would also like to warmly thank all our families for supporting the school in so many ways over the past two terms. Working together to keep our children and ourselves protected and safe, we have succeeded in keeping the school open and fully functioning.

Looking forward to January 2021 I know we can continue to maintain these high standards of protective measure and continue to keep all our children in school, learning and playing together. From everybody here at Chilton Foliat Primary School we wish you a very Happy Christmas and look forward to seeing you all back at school on Tuesday 5th January 2021.

With thankfulness, courage and love. Mrs Turner

Within this Newsletter you will find a selection of pictures that have been taken over the last month, capturing the wide range of activities and events that have been taking place in the school.

This is complimented by the Christmas Nativity which can be found on the website under new posts or by following the link below:

[http://

/christmas-nativity/](http://www.chiltonfoliatprimary.org.uk/christmas-nativity/)

There has been a tremendous effort to keep the lead up to Christmas as normal as possible and your kind words have certainly shown that this has been achieved throughout the school as well as with the virtual events that have been held over the last month.
