

A prayer from your teachers

For the child who is alone,

Let us bring her friendship.

For the child who is scarred,

Let us heal his wounds.

For the child who goes unnoticed,

Let us listen and understand.

For every frightened and vulnerable child

Let us bring them love.

Amen

Join in with the *Glory to God* song (Peruvian *Gloria*) like we sing at school, but with a really funky rhythm for you to play along with!
