

Portrait poem template

The image shows a template for a portrait poem. It consists of two main rectangular areas. The outer area is a large rectangle with a black border, centered on the page. Inside this outer rectangle is a smaller, horizontally-oriented rectangle, also with a black border. The top edge of this inner rectangle is slightly curved downwards in the center, creating a shape that resembles a stylized portrait or a specific frame for text. The entire template is set against a white background and is enclosed within a blue border that frames the entire page.
