

Year 1 Home Learning 06.07.20

Hello Year 1s!

We hope that you enjoyed the work on Handa's Hen last week (I took a sneaky peak at Mrs Jepson reading the story, plus I read some of the stories started by the children in school ~ I did enjoy them 😊👍 ~ Mrs G).

Don't forget, there's an RE challenge ~ a spirited arts competition, so make sure to check out the 'other activities' box if you haven't already. There's a power point on the whole school home learning tab too, which shows examples of past entries. The closing date for submitting entries to school is **15th July**.

For those of you at home, don't forget Mrs Jepson has a '**Teams' meeting at 1.30pm** on Monday. Do try to join her, she'll be reading the story of Super Daisy, that matches with your English work this week. This is also an opportunity to talk about how your work for the spirited arts competition is coming along.

Well, here's this week's learning! You can still send in your work to talktomrsturner@chiltonfoliat.wilts.sch.uk even if you are back at school and especially as you will all be completing topic work at home on a Friday. Have fun, 🧑🏫 Mrs Gibson & Mrs Jepson.

MONDAY 6th July

MORNING

PHONICS

Please view the online phonics lesson from 3rd July (lesson 50) a review of last week.

In your books write the words (parents/teachers dictate): - **given in the online lesson**. Use the hand action to sound out the words before and after writing to check that you have spelt the word correctly or use your letter tiles first to build the words, before writing in your books. **DO NOT RUB OUT** any mistakes, cross them out and write again next to your first attempt.

MATHS

Choose one of the mental warm-ups ~ count to 100. Play number bond ping pong. Say the number that is one more or one less, count in 2s to 20, 5s to 50, 10s to 100. Count on from a given number up to 100. Play 'What's my number?' Give clues to find an answer e.g. It's bigger than ___ but smaller than ___. It's in-between ___ and ___. It's in the tens count etc.

Hamilton Trust Maths ~ This maths activity will be completed on Monday and Wednesday ~ halves (week 10 day 2). Complete the lesson presentation slides, then choose the 'mild' activities.

AFTERNOON

ENGLISH

Hamilton Trust English ~ Super Daisy ~ Monday (week 9 day 3).

For those of you at home, Mrs Jepson will be reading a story at 1.30pm on Teams.

Other activities (these are activities that you can choose from if you are working at home or you can choose these for homework if you are in school from 8th June): -

A competition! Join hundreds of schools from around the world taking part in this year's Spirited Arts competition! Entries can be in (almost!) any artform you can think of, including:

- Art (painting, drawing, sketching etc)
- Poetry
- Photography
- Dance
- Music
- Drama
- Sculpture

The theme I would like you to start planning around is Where is God? The judges will be asking is it original? Is it well-crafted? God is not something we can touch but maybe it is something we can perhaps feel. Sometimes we experience God in the most surprising ways and most unexpected places. Is God something you search for? Where do you think God could be? In your heart, in prayer, in the church or building of worship or the universe? Or is God hiding? Is God not there at all? Looking for God, searching for him or her, matters: but how are we doing in finding God? Would you search with google or a 'God detector'? Is God on Instagram or WhatsApp? Can God be found by prayer or by looking among the world's suffering people?

A message from Mrs Jepson ~ I would love to have some of your brilliant creative responses to this question and to have some entries to put forward to this international competition. There are no wrong answers!

- Catch up with any topic work not completed from last week.
