March 8th 2021 – Full School Reopening Check list – COVID Preventative Measures

- ✓ If your child is ill, they must stay at home.
- ✓ If your child has any of the following 3 symptoms (a new, continuous cough, a high temperature of 37.8 degrees Celsius or above or a loss of, or change in, your normal sense of taste or smell), they must stay at home. You must follow the guidance for households with possible or confirmed COVID-19 and immediately arrange to have a test for COVID-19.
- ✓ If your child is off school for a COVID related reason (a. they have tested positive for COVID or b. they have been told to isolate) they will have work set for them by their class teacher. However, children who are absent from school due to a non-COVID related situation, will not be set work for them to complete at home.
- ✓ If your child is having a COVID test you must let the office know straight away.
- ✓ You must let the office know straight away if your child is isolating because someone in their household is having a COVID test.
- ✓ No parents or visitors are able to enter the school building without a prior appointment (made through the school office). This includes dropping things off at the office to be taken to your child. If you need to ask a question or have a conversation with any member of school staff, please phone or email the school office.
- ✓ You must wear a face covering at all times when dropping off or collecting your child and at any point when you are within the school grounds.
- ✓ Only one parent drops off and collects their child and all children must remain standing with their parent at all times.
- ✓ Parents and carers are asked to leave the school grounds immediately after dropping off or collecting their child and must not congregate or stop to chat in the playground or outside the school.
- ✓ A new separated one-way system for Sika and Muntjac class drop off and collections will be clearly marked by the top car park gates. Please ensure that you remain within your class areas at drop off and collection times.
- ✓ You must stay 2 metres apart from other families, friends or staff.
- ✓ Please ensure that you arrive on time to drop off and collect your child, as we are now unable to take children into the school office to be looked after.
