'With thankfulness, courage and love, we strive to improve heart and mind'

Jesus said, "Everyone who drinks of this water will be thirsty again, but whoever drinks the water I give him will never thirst". John 4:13

Dear Parents and Carers

Welcome back to sunny, spring like term 4. Now that we are moving into the period of 'Living with Covid' it has been lovely to be able to start to come together as a school again for assemblies and celebration events.

We also have a reminder of some exciting news about the Early Years garden which we would like to share with you.

We are however, at the same time, mindful of the events taking place in other countries and in the first instance, our thoughts and prayers are for the people of Ukraine.

Help for Ukraine

May we take this opportunity to thank everybody who contributed towards the ASTRA clothes bin which was collected on Monday and is now heading with the company owners to families in Ukraine.

As a school we are now working on a longer term project to help support the people and in particular the children of Ukraine which we will be able to share with you shortly.

Early Years Garden development

As you will have seen from the recent information that has been sent out we are very fortunate to be working with ARK to redesign the Early Years Garden.

With the support of ARK we are now able to move onto phase 2 which will involve volunteer working parties over the next 3 weekends, so this is where

WE NEED YOUR HELP !!!

DATES AND SESSIONS TO BE HELD:

Saturday 12th March am and/or pm
Sunday 13th March am and/or pm
Saturday 19th March am and/or pm
Sunday 20th March am and/or pm
Saturday 26th March am and/or pm

Celebration Assemblies

I am delighted to inform you that we will be resuming our Friday afternoon Celebration Assemblies, here in school.

To allow our children the time to adjust to having whole school Collective Worship again each day and then to the bigger Friday Celebration Assemblies, where the school hall will hopefully be filled with children and parents, we are planning to phase these Friday sessions back in slowly as detailed in the letter being sent out soon.

We very much look forward to welcoming you back into the school.

Year 1 - 6 Annual Reports

The reports for children in years 1 to 6 will be coming home on Tuesday 15th March 2022. We hope that you will be pleased with the progress your child is making and if you wish to discuss any matters further you can make an appointment with your child's class teacher by contacting the school office.
