Thursday 27th May 2021

Dear Parents and Carers,

I would like to take this opportunity to welcome you and your child to the reception class at Chilton Foliat School. As we are currently unable to meet in person, I hope that this letter will form the beginnings of our home school partnership.

It is at this time of year that I would usually be writing to you to outline arrangements for transition visits and parent meetings. Unfortunately, due to current Covid-19 restrictions, this year's transition may once again follow a different timetable of events. I want to reassure you, however, that we have plans in place for whatever the next few months will look like, as it remains of high importance to us that your child has a smooth and happy start to school life.

We will hopefully know more about the Government plans for the easing of restrictions in schools by June 21st and in accordance with this, I will write to you again to outline our own plans. In the meantime, I have enclosed a poster '**Getting Ready for School**'. This poster is a useful guide to developing independence in young children and the skills that it promotes will support your child's confidence as they start school life. Please take time to have a look at the poster and choose some of the things that you and your child can work on over the coming months.

I really am looking forward to meeting you all, but until then, if you have any questions or concerns, you can reach me through the school office on admin@chiltonfoliat.wilts.sch.uk
With best wishes

Mrs Gibson
Roe class teacher

With thankfulness, courage and love, we strive to improve heart and mind

Jesus said, "Everyone who drinks of this water will be thirsty again, but whoever drinks the water I give him will never thirst". John 4:13
