CHILTON FOLIAT

Chilton Foliat Recipe Book

Amazingly for a village school we're celebrating our 250th anniversary this year! Among the celebration activities, we would like to publish a recipe book... with a twist: the recipes will all be provided by members of the community (village, school and alumni). We're looking for the secret sponge cake recipe from Granny, Dad's special cider recipe or the best chicken soup for when you're poorly. We want this to be a unique collection just for us so we will also include some of the best photographs and anecdotes of the life and times of the school.

To make the book really colourful and enticing, we would love pictures to go with each recipe, so please send photos, drawings or paintings, either of the finished dish, an ingredient or of you making it.

We will be running a competition for the children to design the front and back covers and **Sophie Conran** will be choosing the winners. As you may know Sophie is an interior designer, cook and author, and most importantly, a former pupil of Chilton Foliat Primary School!

Thank you in advance for your support. We can't wait for some cooking inspiration!
