The School Council are planning to organise and run a fete as part of our **SERVICE** themed week. They need your help. Here are the ways you make your children's fete super **SERVICE** successful!

Grow a Fiver Campaign

We are launching our third Grow a Fiver campaign which we know will be just as successful as the first two.

- What can you make or do with £5 to help raise money for our nominated International Charity – UNICEF who are helping to protect the children in Ukraine?
- Remember the summer holidays are coming up so what about something with a summer theme?
- Here are a few ideas...
 - ✓ Jewellery * something to decorate your hair * a mini travel activity pack * lucky dip * stickers * sweetie bags * party bags * key rings

How to take part?

1. If you would like to take part you will be given £5 in a named envelope, to be signed for by your parent/carer. The goal is to 'grow' the £5 to make as much money at your Children's Fete as possible.
2. Let School Council know that you want to take part and come and Mrs Turner will arrange for your fiver to be given to you. **Fivers available from Tuesday 21st June 2022.**
3. There is no obligation to complete the project, and if you have not managed to raise any money, then they simply need to return £5 in their envelope.
4. All envelopes with the original £5 and any monies raised will be collected back in on Monday 18th July 2022.
5. As this is a fundraising effort, please make sure the original £5 is returned, even if your idea doesn't make a profit.
