We are pleased to confirm that, weather permitting, all families are welcome to attend our Sports Day Afternoon on Friday 24<sup>th</sup> June. The gate will be open from 1.15pm so guests can arrive, ready for a prompt 1.30pm start.

During the morning, KS1 and KS2 will be taking part in a Diamond Cricket tournament in their house teams. In the afternoon, following the success of last year's format where the children took part in a round robin of events, Quad Kids Sports Afternoon will be taking place. Innova8 will be supporting the event and it will be a wonderful way to celebrate not only PE achievement but also how see how much our children have grown in confidence and ambition over the year.

The afternoon will be based on the Quad Kids concept. This athletics format enables participation for all ages and abilities and includes the four core disciplines of running, throwing, jumping and sprinting – hence Quad. The activities will be modified so that from Reception to Year 6, all can take part and each participant will be scored based on a Personal Best basis. The final scores will also be calculated by house group and the house winning the most points will also win our annual sports cup award.

- Entry and exit onto the school site will be from the top gate by the club house. The gate will be open from 1.15pm to enable a prompt start at 1.30pm
- With thanks to the Friends, refreshments and ice creams will be available for sale
- In the event of bad weather, a decision will be made by 8.30 am on Friday 24<sup>th</sup> June to cancel and this will be communicated via SchoolComms
- In the event of bad weather, our reserve date is Friday 8<sup>th</sup> July 2022
