

### **Our School Christian Vision**

With thankfulness, courage and love, we strive to improve heart and mind.

At Chilton Foliat Primary School we honour our educational heritage, supported by a strong Christian ethos. We strive to provide a diverse education that inspires children to develop a **thirst for knowledge**. This is delivered in a safe, supportive and nurturing environment promoting self-discipline, motivation and excellence in learning. We encourage strong partnerships and positive relationships amongst pupils, parents, carers, staff and the wider community.

## **Charging and Remissions Policy**

### **Introduction**

This Charging and Remissions Policy complies with statutory requirements, has regard to the Authority's Policy Statements on charging and is reviewed on an annual basis by the school Governing Body's Resource Committee.

### **Aims and Objectives**

The aims of the Policy are to:

- Set out what the school will not charge for and what it will make a charge for or request a voluntary contribution towards, from parents/guardians.
- Clarify how charges will be determined, so parents and guardians understand why requests for payments are sometimes made for some activities.

Jesus said, "Everyone who drinks of this water will be thirsty again, but whoever drinks the water I give him will never thirst". John 4:13

## **Activities without charge**

There will be no charge for the following activities:

- Education provided wholly or mostly during school hours. This includes the supply of any materials, books, instruments and other equipment.
- Education provided outside school hours if it is part of the National Curriculum or part of a syllabus for a prescribed public examination, which the pupil is being prepared for at the school, or part of religious education.
- Instrumental and vocal music tuition which is part of the National Curriculum.

## **Voluntary contributions**

The school may ask for voluntary contributions towards the cost of school-time activities to assist with funding, subject to the following conditions:

- Any children of parents who do not wish to contribute will not be treated any differently.
- Where there are insufficient contributions to make the activity viable, the activity will be cancelled.

## **Chargeable activities:**

The school may recover the full costs of the following activities, which may be provided directly or through commissioned services but charges will not exceed the actual cost.

- Educational or other activities provided wholly or mainly outside school hours, which are not
  - (a) Part of the National Curriculum
  - (b) Part of a syllabus for a prescribed public examination, which the pupil is being prepared for at school
  - (c) Part of religious education

This could include before and after school clubs run by, or on behalf of, the school as well as other clubs run outside of school term.

- Board and lodgings on residential visits (subject to remission arrangements)
- Provision of instrumental and vocal tuition, which takes place during the school day and which has been requested by parents/guardians.
- Provision of materials/ingredients for subjects such as Art and Design or Food Technology where pupils take home a finished product.

## **Remissions Policy:**

There will be no charge for board and lodgings for pupils whose parents/guardians are receiving income support, income based job seeker's allowance, family credit or disability working allowance. Charges for other 'chargeable activities' may also be fully or partially

Jesus said, "Everyone who drinks of this water will be thirsty again, but whoever drinks the water I give him will never thirst". John 4:13
