

Year 4 Home Learning – Friday 3rd April – Instructions

Good morning amazing Year 4 children! It's the end of the week!

Try your best at these activities in any order you like!

Task A – Writing Activity

Go to www.tinyurl.com/t4fnsxr and watch the video Reverso BUT STOP WHEN THE CREDITS START TO APPEAR.

Can you write the ending to the story? What could happen next? You should write at least a paragraph and ideally two.

Afterwards, finish watching the video to see what really happened!

This should take you around **30 minutes.**

Task B – Reading Comprehension - See separate document

Read the short piece about the King and the shepherd and then see how many of the questions you can answer. You then need to read some more and answer the final questions.

This should take you around **20 minutes.**

Task C – Times Table Rockstars

Login to www.ttrockstars.com – Be sure to email the school if you have forgotten your username and password.

You need to complete today's **5 Garage sessions.**

This should take you around **10 minutes.**

Task D – Spelling

Using some of your new spelling words from yesterday, can you write 8 silly sentences using a spelling word in each sentence. Underline your spelling word and write neatly.

For example: The magician wears a pink dress when he takes a bath.

This should take you around **20 minutes.**

Task E – Maths Investigation

Test a partner's reaction time by recording how quickly they can grasp a ruler when you drop it between their fingers. You will need to make sure you carefully look at how many cm have passed when they grab it. Repeat 5 times and record the results.

Now make a prediction. If you test other people, will women be quicker than men? Will it show that you get speedier over time? Are left handers going to be better than right handers?

Now do the same test on yourself and then anybody else in your household.

Look at your results. Was your prediction correct?

This should take you around **30 minutes.**

Task F – Grammar Activity – See separate document

Have a look at the present perfect and simple past verb sheet. We have done these before in class so let's see what we can remember.

This should take you around **20 minutes.**

Task G – PE Activity

Let's join in again with The Body Coach, Joe Wicks!

At 9am every day, he is showing a workout on his YouTube channel (The Body Coach TV) so give it a go!
