

Supplementary Information Form for Admissions to Chilton Foliat Church of England V. A. Primary School

The Primary Common Application Form (PCAF) which can be obtained from the school or via the website must be completed by all parents and returned to the Local Authority by the date specified within the Chilton Foliat Admissions Policy for the relevant year.

For applications being made on faith grounds (practising Christians) this form must be completed and returned to the school together with any documentary evidence by midnight on the date specified within the Chilton Foliat School Admissions Policy for the relevant year. The Chilton Foliat School Admission Policy can be obtained from the school.

This applies to those children from outside the designated area who are regular (i.e. attending church at least once a month during the school year.) practising Christians, of whatever denomination, at a recognised church or religious group. (A recognised church is one that subscribes to the Churches Together in Britain and Ireland or the Evangelical Alliance) Confirmation of status will be requested from the relevant priest/pastor.

This Supplementary Information Form should be supported by a letter from the parish priest or minister and both should be returned to the school.

Faith applicants who do not complete and return a Supplementary Information Form will be assessed under the other criteria specified within the Chilton Foliat Admissions Policy for the relevant year.

Please note that due to the exceptional COVID 19 situation and the closure of local churches, a variation to the policy has been requested in line with Diocese guidance, which is " In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship".
